

CAPITAL CITY COMETS VOLLEYBALL PROGRAM

To Whom It May Concern:

We appreciate the opportunity to ask for your support!

Comets Volleyball is a competitive, homeschool volleyball program covering the mid Missouri area from grades 6th through 12th for girls at all skill levels. The Comets exist to provide an environment where volleyball is coached and played with excellence. Our goal is for each player to improve in skill, endeavor to build character, bring community spirit, and competitive play.

We are a small program with big goals! Although based out of the Jefferson City, Holts Summit, and Columbia area, we travel to other areas of the state to compete. Our coaches provide skilled instruction and opportunities in order that our student-athletes grow in athleticism, character, and potential career goals.

We need your help! Your generous donation will help improve, or add to, current equipment as well as defray season game and tournament expenses.

Checks should be payable to Capital City Homeschool Comets or CCHC.

We will be glad to advertise your business/organization on our website and at our home volleyball games. Please send your advertisement or business information, as well as any questions, to cchcometsvb@gmail.com We appreciate your consideration of this request!

Sincerely,

Capital City Comets Volleyball
